### ONLINE, ALL THE TIME.

Circles' online portal reaches your clients through the unique channels they prefer.

**VIA WEB, MOBILE DEVICES AND SOCIAL MEDIA** - we provide services that are valuable to your customers and cost-effective for you. We can integrate our online portal into your existing online brand and tailor our products to fit your needs.

#### Our portal offers:

- Vetted, quality content – trusted advice you'd expect from a Concierge
- Ability to search across multiple lifestyle categories
- Access to best-in-market savings through our savings portal
- Full service travel booking

#### In addition to these benefits, our online portal can be fully customized for even more personalized, added value:

- Redeeming loyalty points or credit cards across a portfolio of products
- Supporting multiple catalogs and visual designs for differentiated online experiences
- Receiving real-time Concierge support through an instant call or click-to-chat
- White label services always available
