REQUEST TO CORRECT REGISTRATION

TO THE COMMISSIONER FOR TRADEMARKS:

Pursuant to 37 C.F.R. § 2.173(b), Hanna Andersson, LLC (“Registrant”), a Delaware Limited Liability Company, respectfully requests correction of the above-referenced trademark registration to 1) conform with Registrant’s State in which it is organized and 2) amend the street address to reflect the application as filed. The request to correct the State where organized was previously included in the post-publication amendment submitted August 12, 2019; however, the post-publication amendment was not processed in time to withdraw the mark from the scheduled issuance of a registration.

I. DISCUSSION

1. Correction to Applicant’s State of Organization:

On February 11, 2019, Hanna Andersson, LLC, a Delaware Limited Liability Company, filed U.S. Serial Number 88297145 for HANNA ANDERSSON (“Application”). In conducting a recent corporate due diligence, Applicant noticed that the “State Where Organized” was inadvertently listed in the Application as “Oregon.” As of the filing date of February 11, 2019, “Hanna Andersson, LLC, an Oregon Limited Liability Company” did not exist and does not exist today and the correct owner of this filing is “Hanna Andersson, LLC, a Delaware Limited Liability Company.” Incorrectly filing the Application in the name of “Hanna Andersson, LLC, an Oregon Limited Liability Company,” was an inadvertent error by Applicant, made in good

faith. Hanna Andersson, LLC requests that the USPTO amend the Application to list Applicant as “Hanna Andersson, LLC, a Delaware Limited Liability Company.”

2. Correction to Applicant’s Address:

Registrant respectfully requests that, after amendment, the Registration list Applicant’s street address as “608 NE 19th Avenue”—with “NE” capitalized (as it was in the Application, as filed).

II. CONCLUSION

Registrant submits that the requested amendment is not material and the amendment will not require republication of the mark to fairly represent the mark for purposes of opposition.

Registrant respectfully requests the amendment be approved and a new Certificate of Registration be issued. Registrant does not allege any error on the part of the USPTO. Please note that no fees are due for this request because the amendment was filed prior to registration. Please contact the attorney of record with any questions.
