FASCINA

Electric Wine Opener
with built-in Foil Cutter

Introducing the Ozeri Fascina Electric Wine Opener. Capable of opening up to 60 bottles on a single set of batteries, the Fascina requires no more effort than pushing a button for cork removal. Impress and entertain while opening your next bottle of wine, with the Ozeri Fascina Electric Wine Opener.

STEP 1

Use the included foil cutter to remove the wine bottle seal.

STEP 2

Push the "down" button to activate cork removal.

STEP 3

Simply press the "up" button to release the cork.

Automatically removes and ejects cork.

Integrated foil cutter removes easily.

Runs on 6 AAA batteries (included).

Opens up to 60 bottles on a single battery set.

Cordless design opens natural & synthetic corks.
