★★★★★ Beautiful and great fitting blouse...just prewash do to color bleeding!!

Reviewed in the United States on January 25, 2018

I purchased this during the holidays along with a pair of jeans..I never buy clothing online but I took a chance and boy did I luck out!! The jeans were so perfect and this blouse looks like it was made for me..The color is vibrant and the draping is sophisticated...I love everything about it the way it looks and feel on me...the only drawback is that it released tons of color when washing, even in cold water so I suggest that you soak it in cold soapy water before ever wearing it so it doesn't bleed onto any other clothing...Very nice material and good buy otherwise :)

★★★★★ Has a nice comfortable feel

Great fit! and it feels great. I really like how comfortable it feels without it looking to big. I bought a size up because I'm a curvy girl. Probably could be fine with my normal size but typically I like a size up. Would purchase again.

I really liked the look of the top when I saw it online. I should have known there is a difference between a Misses' size XXLg and a Women's 2X which I normally wear. I ordered the XXLg. When it arrived, I tried it on and was thrilled that although it felt a little snug ,in the mirror, it looked fine. The folds provided a very flattering look. I was so excited until, I looked at my back in the mirror and realized that from the back I looked like a black stuffed sausage. It was just too small. I was extremely disappointed that it did not fit because the fabric felt great, the style was beautiful, and the draping added a very modest, classy look. I will be returning it but would buy several if there were a size available that I could wear. To me it does seem that the size runs about right for the measurements given.

★★★★★ **Built-in modesty panel great**

I bought this in the off-red color and plan to buy other colors because it's a great top. My favorite feature, other than the draping at belt line, is the fabric that goes under the draping, like a built-in tee or camisol underneath. No more worrying about bending forward and flashing the world. This will look professional with nice slacks, and go with jeans as well. Really pleased and highly recommend.

I was hesitant on buying a blouse online however, I was very happy when I opened it up and noticed the quality was better than expected. I have worn it a few times already and I wash on delicate and don't put it in the dryer. Comes out great that way. I like that you can wear it with jeans or to work. Great product!

★★★★★ **Great at hiding mid-section imperfections**

Reviewed in the United States on February 22, 2018

Size: X-Large | Color: Purple_1 | [Verified Purchase](#)

Beautiful top to cover my imperfections after having 3 children. The fabric drapes nicely and it is comfortable. With my mid-section imperfections, having a banded waistband is one of the things I look for and the cuffed sleeves helps with my short stature. I like not having to fold the sleeves which makes the blouse look like it was made for someone of my size. I love it and feel confident wearing it. I see more colors coming to me in the near future.

Heavier than expected, but good quality material. It definitely conceals the stomach "pooch" lol. I think a black one would work well in the cooler months.
