

JAX MAGNA-KOTE[®] 467 FG

JAX MAGNA-KOTE 467 FG is a food-grade metal-forming lubricant. **JAX MAGNA-KOTE 467 FG** imparts exceptional wetting characteristics while the proprietary additive technology provides improved finish, minimizes burning and prevents loading of forming components. Do not add directly to the food. Use only the amount necessary to achieve the technical effect. Remove any excess lubricants from food contact surfaces. To be used in keeping with good manufacturing practices (GMPs). Contains odorless mineral spirits. Contains Micronox[®] to provide antimicrobial protection for this product.

5 US GALLONS
18.9 liters

Product No.: 46700-005
Batch Code: L1326101

PRECAUTIONS: Product is combustible! Use with caution around heat, sparks, pilot lights, static electricity and open flames. Prolonged or repeated contact may cause skin irritation. May cause eye irritation. Inhalation of mists or vapors may cause respiratory irritation. Ingestion may cause central nervous system effects. Aspiration can result in severe lung damage or death. Do not take internally. Do not breathe fumes, dusts or mists. Do not get in eyes, on skin, or on clothing when handling. Use only with adequate engineering controls and ventilation where fumes, dust or mist may be generated. Wash thoroughly after handling. Store in cool, dry place. Keep container closed. Refer to MSDS for further information.

FIRST AID: **INHALATION:** Remove to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. Get medical attention immediately. **EYE:** Remove contact lenses, if worn, and flush eyes with water for 15 minutes. If irritation persists, consult a physician. **SKIN:** Remove contaminated clothing. Wash skin with soap and water. If irritation persists, consult a physician. **INGESTION:** If swallowed, DO NOT induce vomiting. Consult a physician.

FIRE: Use dry chemical, foam or CO₂.

HMIS[®] Ratings

Health **1**

Flammability **2**

Physical Hazard **0**

The user is responsible for determining proper Personal Protection Equipment. Refer to Material Safety Data Sheet (MSDS).
