Under its LibertyWorks™ brand, Rolls-Royce North American Technologies, Inc. is providing its customers with advanced technology consultation and research in the fields of designing, building, equipping and testing commercial and military gas turbine engines. We are pleased to submit this response to the above-referenced Request for Proposal. The Firm-fixed Price/Level of Effort proposal has a total value of \$ [REDACTED]

Rolls-Royce North American Technologies, Inc., CAGE Code 020N0, is a "for profit" firm that has fewer than 1000 employees, is not a socially or economically disadvantaged firm, nor is it a woman-owned business. It is a corporation organized and existing under the laws of the State of Delaware, a wholly owned subsidiary of Rolls-Royce Corporation and holds DLSC certification number 0025594.

These cost estimates are subject to mutually agreeable terms and conditions, valid for one hundred and eighty (180) calendar days from the date of this letter, and subject to updating for current cost or pricing data in accordance with Public Law 87-653.

If you have any technical questions concerning this proposal, please contact Mr. Robert Moritz (Speed Code X12A at the address above) on (317) 230-3614, or for contractual issues please feel free to contact the undersigned, at Elaine.T.Golden@Liberty.Rolls-Royce.com, or via telephone on (317) 230-4347.

Sincerely,

Elaine T. Golden
