

SNAPS™ - MODULAR STORAGE MADE

Snaps Modular Storage Systems bring organization to any room in the home or office. No more built-in bins or awkward metal shelves that take hours to take apart. Snaps Modular Storage Systems allow you to quickly design and assemble custom storage solutions. Whether you desire the soft touch of Canvas or the designer look of MDF, Snaps has the answer for your storage challenge. Let your imagination run wild with Canvas and Mesh together.

Tired of assembling furniture with bulky tools and connectors you are missing important parts? The patented Snaps connectors make for easy assembly with no need for additional parts. Simply open the packaging and snap the parts together. Your custom storage solution is ready to go.

Snaps Modular Storage Systems are available in a variety of colors and finishes. Visit www.snaps.com for more information.
