citrus margarita

organic cocktail mixer 750ml (25.36 fl oz)

modmix™ citrus margarita

The time-honored taste of Mexico's sun-kissed shores gets a modern makeover with all-organic ingredients and a bloom of fresh orange. Our unique and passionate love letter from south of the border. No need for any liqueurs. Simply add your favorite tequila – and viva!

Mix two parts Modmix with one to two parts of your best tequila. Combine with ice in a cocktail shaker for a juicy twist on a classic drink. Or pour straight on the rocks for a perfect, effortless concoction every time.

Variations: Add Modmix to champagne for a bubbly experiment. Or simply swirl Modmix into sparkling water for an innocent treat.

ingredients: filtered water, organic lime juice, organic raw (unrefined) cane sugar, organic orange juice concentrate.
