

*Lifted*

The image features a warm, golden-brown color palette. A prominent horizontal band of bright, glowing light stretches across the middle. The word "Lifted" is written in a flowing, cursive script across this band. The background is filled with soft, out-of-focus light spots and a subtle, circular pattern that resembles a lens flare or a stylized sun. At the bottom, there are two sets of small, glowing circular lights, one on the left and one on the right.
