

Welcome to NASDAQOMXtrader.com

Symbol Lookup

The Symbol Lookup provides access to All Issues (NASDAQ and Other Exchanges), Mutual Funds, and Market Participants. All information is as of the current trading day.

The Symbol Lookup at this time does not contain a complete list of MPIDs. Only MPIDs used to disseminate quote information are currently included. **Please note, the MP Type "N" reflects a miscellaneous MP Type rather than a non-member as reflected in the past.**
