MONITOR

With Identity Guard, you have robust tools and services working on your behalf to keep an eye on your most personal information. If certain activity is detected, we'll quickly alert you to it.

PROTECT

Our services can help protect your computer from viruses, keylogging and other threats. Plus, do you know what information is publicly available about you? We can help you protect that, too.

RECOVER

No one can guarantee they can stop identity theft. But if you do become a victim, we have what you need to recover from it. Personal Recovery Assistance, Lost Wallet Protection, and \$1 Million Identity Theft Insurance.

WHAT OUR CUSTOMERS ARE SAYING

A nice bundle to protect your identity

I have been testing a few different services for credit rating and identity protection. I decided that I'll be keeping this one. It gives you credit ratings... more

kID SureSM

It's an unfortunate fact: Identity thieves view kids as a prime target because of their "clean" credit history. We think kids deserve better than that, so we developed a unique child identity solution, just for them.
