

The applicant is requesting to divide this application and specifies the following:

The following goods are now in use in commerce:

Class 11 – “Gardening appliance systems for hydroponic and horticultural propagation systems for use in growing plants, namely, gardening irrigation systems comprising environmentally controlled chambers capable of providing water, plant nutrients, and light”.

The goods “aeroponic, agricultural” should be permanently deleted from the description.

The appropriate date of first use and specimens are being submitted in an Amendment to Allege Use.

The following goods remain under the Section 1(b), intent to use basis:

Class 11 – “Gardening appliance systems for aeroponic propagation systems for use in growing plants, namely, gardening irrigation systems comprising environmentally controlled chambers capable of providing water, plant nutrients, and light”.

The goods “hydroponic, agricultural, and horticultural” should be permanently deleted from the description.

The Applicant requests that the goods shown above, now based on use in commerce, be divided from the original application and moved to registration at this time.
