 - Search on any phone
 - Search and earn rewards
 - Gallery the history of Bing
 - Daily hot images
 - Built-in browser
 - Built-in browser
 - Search wallpapers
- Description:

Bing Search goes beyond finding relevant answers on the internet. With this app, you can save money with Bing Rewards, keep up with trending stories and images, and set the daily homepage photo as your wallpaper with one click.

Real Photography: Enjoy beautiful daily homepage images and set them as your phone's wallpaper with one click.

Sign in:

 - Sign in to begin earning Rewards for the searches you do in the app (US residents only), and redeem them for gift cards and other prizes.
 - Sync your bookmarks across your Bing apps on other devices.

Simple and fast browsing

 - Start with the search box and click on a result to open it up in a built-in browser, or go straight to the browser shortcut from the app menu.
 - Use multiple tabs
 - Take a screenshot, bookmark, or share anything you open in the browser
 - Customize safe search and privacy settings for safe and worry-free browsing on your phone.
 - Use shortcuts in the app menu to access weather, news, trending images quickly.
