BELTS CONCEALED CARRY SYSTEM T.H.O.R DOG HARNESS BOW SLING

CONCEALED CARRY SYSTEM

WHEN I CAME BACK FROM OVERSEAS, I WAS BUMMED THAT I COULD NO LONGER CARRY MY PISTOL ON MY CENTER LINE AS I HAVE ALWAYS HATED CARRYING ON MY HIP OR IN A DROP LEG RIG. WELL, HERE YOU HAVE THE SOLUTION. ALL OF THE BENEFITS OF A CLEANER, MORE REDUCED PRINT; EASE OF ACCESS WITH EITHER HAND; FASTER ESTABLISHMENT OF A PROPER GRIP; BETTER WEAPON RETENTION; AND GREATER COMFORT WHILE SEATED. OUR SYSTEM CONSISTS OF THE EVERY DAY BELT, MOUNTING HARDWARE, SHOULDER STRAP ASSEMBLY AND NEOPRENE PANEL. I ADMIT OUR CONCEALED CARRY SYSTEM WOULD NOT WORK WELL WHEN WEARING AN OPEN SUIT COAT, BUT IT SURE DOES FOR ALL OTHER OCCASIONS. WATCH THE VIDEOS HERE AND ON OUR YOUTUBE CHANNEL TO SEE FOR YOURSELF...
