Constructed for durability. Designed for individuality. Paladin conquers your needs without sacrificing your wants. Conveniently access the patent pending Tailgate for easy device entry and removal. The Tailgate is home to Quick Connect – an easy and fast access to the charge and audio ports while continuing to protect from dirt and dust.

Features:

- Ultimate shock and impact protection case
• Anti-slip, tactile grip perimeter texture designed to release the flow of forced energy created from drops
• Slim, modern and durable two-piece design
• Built-in screen protector
• Patent pending Tailgate for easy device entry and removal
• Quick Connect cover protects the charge and audio ports from dust and dirt
