## Key Nutrients

|                              |         |
|------------------------------|---------|
| Vitamin C.....               | 30 mg   |
| Vitamin D <sub>3</sub> ..... | 400 IU  |
| Biotin.....                  | 75 mcg  |
| Magnesium.....               | 180 mg  |
| Zinc.....                    | 13 mg   |
| Chromium.....                | 120 mcg |

**Directions:** Take one serving one to two times daily, or as directed by your healthcare practitioner. Blend (up to 15 seconds), shake, or briskly stir the contents of one packet of Ultra Glucose Control (55 grams) into 10-12 fluid ounces of chilled water. Consume within 10 minutes of reconstitution.

**Warning:** Do not use if you are pregnant or nursing. If you are taking blood sugar lowering medication, dosages may need to be altered when using this product. Please discuss this with your doctor.

**Storage:** Keep in a cool, dry place.

**Notice:** This medical food is to be used under the direct supervision of a physician or other licensed healthcare practitioner for patients with prediabetes or diabetes, or those who need support for glucose response management. Do not engage in any diet supplying less than 800 calories per day without medical supervision.

<sup>†</sup>Non-GMO UCAN SuperStarch™ contains more than 95% heat-moisture treated amylopectin.  
US Patent #8,507,462. Other patents pending.
