BLiS Blast Hot Pepper Sauce

BLiS Blast Hot Pepper Sauce is our secret blend of chipotle, arbol and cayenne chilies aged for up to a year in seasoned oak barrels that once held Kentucky bourbon, BLiS maple syrup and **Founder's Kentucky Breakfast Stout**. The result is a complex hot pepper sauce with a kick of chilis combined with hints of chocolate, maple, hops, garlic, vanilla, wood and spice in one giant blast of umami.

This is the perfect hot sauce for creating delectable buffalo hot wings, bloody mary's or enhancing any dish you use hot pepper sauce as an ingredient.
