About Hispanic Heritage Foundation

Established by The White House in 1987, the Hispanic Heritage Foundation's (HHF) mission is to "inspire, prepare, and position Latino leaders in the classroom, community, and workforce to meet America's priorities." HHF is a 501(c)3 non-profit organization and believes that youth are the leaders of today, not tomorrow, and focuses on helping a Latino help thousands more through innovation. www.hispanicheritage.org

About Leaders On Fast Track

Leaders On Fast Track (LOFT) is the leadership and workforce development program of HHF for under-represented minorities (URMs) focused on "priority fields" including science, technology, engineering, entrepreneurship and other areas with hundreds of placements into internships, fellowships and full time positions. Tens of thousands of students and young professionals are connected to each other and provided with priority-field-tailored trainings across the country.
