

Live mobile auctions for new and used car dealers

The ACV Auctions app allows dealers to buy and sell wholesale inventory instantly.

Buy vehicles like a pro

The earlier in the process that you can buy from a seller, the lower the total cost for the vehicle becomes. Nothing beats ACV to the punch with live 20 minute auctions of the freshest vehicles to hit the wholesale marketplace.

ACV is the only auction platform that truly puts the dealer first.

- Buy and sell anytime and from anywhere
- Highly liquid marketplace means cars really sell
- Lowest transaction costs in the industry

Buying at your fingertips. The ACV Auctions App allows dealers to buy and sell wholesale inventory instantly. Download the app in your app store today to get started!

Wholesale at your fingertips

Freshest inventory directly to your phone

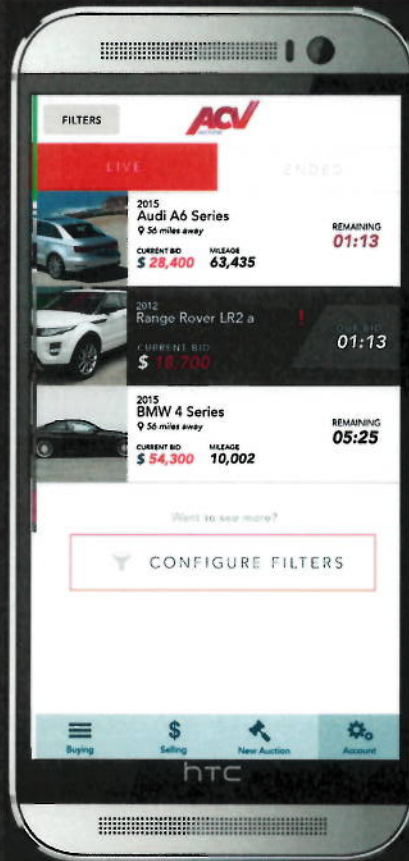

ACV is a platform for any and all wholesale transactions. From \$500 to \$50,000, ACV's live 20 minute auctions and expansive marketplace can get the job done.

Receive alerts when new listings post live

As a dealer, you know you can make fast decisions. ACV makes it possible with the fastest auction platform available. Never wait for weekly auctions.

Rapid, 20 minute auctions

Push notifications keep bidders, buyer, and seller engaged in the auctions from start to finish.

Search filters focus your target

Set up your search filters in less than a minute to show you the types of inventory you want to see as soon as it gets posted.
