NRG Home Solar

Every hour of every day, enough sunlight hits Earth to power everything on it for an entire year. All you have to do is let it in.

[Learn more](#)

Seize every sunray.

There has never been a better moment to make the change.

Solar is no longer a vision for tomorrow. It's a sustainable reality of today. NRG Home Solar allows you to take control of your energy right now.

And we've made it simple and beneficial to your wallet and Mother Nature.

- ❖ \$0 down in most locations¹
- ❖ Worry-free warranty, monitoring and maintenance
- ❖ Quality craftsmanship installation at no cost
- ❖ Locked-in rates to protect against rising utility costs

We'll provide 24/7 maintenance and monitoring of your solar system, so you never have to think twice about it. Our team makes it a breeze for you to go solar. We handle all of the heavy lifting and are happy to provide insurance for your system at no additional cost.

Today – right now – we're headed for a brighter, cleaner tomorrow, one sunray at a time. And you'll be joining us in committing to the smart energy revolution. Part of NRG Energy, a Fortune 200 Company, NRG Home Solar has the expertise and track record to help you get the most out of your solar decision.

Together, we can make the future brighter.

Terms and conditions apply. See the terms of your customer agreement and consult your solar system provider for details

¹Down payment may be required in certain utility service areas. Visit nrghomesolar.com/zerodown for details.
