Introducing Pantheon

We are experienced investors in private equity, infrastructure and real assets. As responsible stewards of our clients' capital, we aim to source and execute the best possible private market opportunities.

Investing with confidence and conviction, we have a long-standing reputation from 35 years of investment experience in private markets. We invest with integrity and professionalism and follow a policy of active ownership and engagement. We listen to our clients, then aim to deliver investment solutions to meet their requirements.

We refuse to stand still. Heritage and innovation come together at Pantheon enabling us to learn from the past while at the same time look to the future. We are at the forefront of pioneering private equity initiatives for the **Defined Contribution** and **Private Wealth** markets.

We operate from offices in New York, San Francisco, London, Hong Kong, Seoul and Bogotá, with representation in a number of other key markets. We employ approximately 220 staff, 70 of which are investment professionals.

Pantheon is owned by Pantheon Partners, alongside **Affiliated Managers Group Inc.**
