

FORENSIC ACCOUNTING & FINANCIAL INVESTIGATIONS

Converting financial data into financial stories.

Ankura's forensic accounting and financial investigations team assists clients with challenging issues. Our team of top professionals are seasoned advisors with a wide range of experience in technical and forensic accounting, auditing, corporate finance, fraud, anti-corruption and Foreign Corrupt Practices Act (FCPA) matters, compliance, eDiscovery, information technology, and complex data analytics. Many of our professionals have held senior investigative or enforcement positions at the Securities and Exchange Commission (SEC), Department of Justice (DOJ), Public Company Accounting Oversight Board (PCAOB) or the Commodity Futures Trading Commission (CFTC). Our team is composed of numerous certified public accountants, certified fraud examiners, and former standard-setters and regulatory officials who have been deeply involved in some of the most challenging and high-profile financial and accounting advisory engagements and investigations ever undertaken.

OUR EXPERTISE | WHITE COLLAR & SECURITIES

WHITE COLLAR & SECURITIES

Building the facts to unravel complex situations.

Ankura's professionals assist company boards, senior management, legal counsel, and government agencies in responding to allegations of complex white collar crime and securities schemes. We have a demonstrated record of success deploying the full spectrum of Ankura's investigations, audit, compliance, and advisory capabilities to help clients understand the relevant issues, evaluate options, and successfully resolve some of the most complex and high-profile matters. We partner with external or in-house counsel to help our clients conduct internal investigations, respond to government inquiries, and manage criminal and civil litigation.
