- All Roborock products with FCC certification are only sold by Roborock Technology Co. Ltd, other sellers may sale the unauthentic products. Mi-Home Smart Phone App Controls: Start, stop, recharging, schedule, route planning, cleaning mode switch, zoned cleaning, remote control and personalization. Compatible with iPhone & Android. Require to 2.4GHz Wi-Fi. Warranty: 12-month.
- Roborock Technology Smart Laser detection, mapping and navigation system maps the room, route planning and scheduled. Full set of intelligent sensors guide the robot vacuum under and around furniture at 5 x 360 degrees per second with the LDS sensor, thoroughly cleaning without omission.
- Wet and dry: Cleaner sweeping and mopping performance. Uniform water seepage during mopping, and no water stain on floor with the botanical biomimetic tank. When it stops working, water seepage also stopped. Work well on all floor types, including hard floor, wood floor and carpet.
- Multiple modes: Quiet, Balanced, Turbo & Max and zoned cleanup meet all your request, specialized Carpet pressurization mode can automatically identify the carpet and turn on the maximum suction(2000Pa) to clean it, and restore to normal suction after getting off the carpet.
- 13 sensors make your robotic vacuum enable the cleaner to tackle complex working environment, and will not bumping around or falling off stairs. Automatic recharge and resumption from where left off. High-Capacity Li-ion Battery (5200mAh) delivers up to 150 minutes of constant working.
