What is Channel Master TV? DVR+ (CM-7500)

Article- What is Channel Master TV?

Channel Master TV is an app-based linear internet channel platform built right into the guide that we offer to anyone who has the CM7500/DVR+ and an internet connection. You will find over 20 channels that you can access through the  CMTV app. The CMTV linear internet channels come from the individual content providers and we offer this to you free of charge. These channels are located from 200-899 in your DVR+ channel guide.
