USE & CARE

Mr. Clean® Ultra Flex™ Gloves are made from an extremely flexible and tear resistant natural latex material that also happens to be BPA-free. A superior non-slip grip and cotton flock lining offer confidence and comfort, making these gloves an ideal choice for just about any everyday household cleaning task. \*Caution: This product contains natural rubber latex which may cause an allergic reaction. In the unlikely event of an allergic reaction to these latex gloves, discontinue use and consult your health care provider.
