PTX TRAVEL TRAILERS

[Share](#)

The all-new PTX travel trailer is a light-weight, versatile travel trailer for the most discriminating of adventure seekers. The rugged construction of PTX is paired with refined amenities that are fit for off-road adventures or a tranquil escape. Despite being engineered to be one of the lightest travel trailers on the market today, the PTX boasts a roomy interior, including full 6'6" interior height. The PTX has entertainment features galore, including a cinema quality soundbar and LED backlit exterior speakers, and even a built in bottle opener and pet leash attachment point located under the LED lit power awning on every floorplan. **Get anywhere without giving up anything... PTX.**
