Description

Take charge of your physical, emotional, and financial wellbeing. The Sequoia Mobile App brings together everything you need to know about your company benefits. Whether you are checking your plan coverages or utilizing a company perk, you can get things done more efficiently knowing the answers are with you.

- Access and support: when and where you need it:
- Quickly access your ID cards, add them to your digital wallet, and send via email or text.
 - Access on-demand virtual doctor visits and other useful services.
 - Keep track of plan coverages, deductible balances, and reimbursements from one easy place.
 - View all the contact information from the carriers and perks you use.
 - Use provider search to easily find the medical, dental, and vision care specialists and facilities that match your needs.

Available for employees and their dependents of companies with Sequoia-provided benefits.

We'd love to hear what you think about the Sequoia Mobile App. Leave a review or reach out to our support team under Settings > Feedback. For any other technical issues or questions, contact us at appsupport@sequoia.com.

About Sequoia:
Sequoia is the service partner for people-first companies. We take care of you by unifying the benefits, HR, retirement, and insurance experience so you can be more productive, protected, and focused – whenever and wherever you are. We've spent 17 years supporting the world's most innovative, market-changing companies and we know what it takes to fuel growth and guide people. Our commitment is to take care of you so you can deliver on your mission.

Virtual Care While on Vacation Oct 19, 2017
★★★★★ Caroline Vanderhorn

While on vacation in Hawaii I developed a rash that started to become super painful and looked like shingles (yikes). I have Kaiser and being out of network, I assumed it would cost a ton to go to the doctor but I remembered that I could use my Sequoia app to access [more](#)

Made my life easier Oct 19, 2017
★★★★★ LSB2643871

This app has made it super easy for me to view my HSA, 401k and commuter balances in just a couple of clicks.

I wasn't sure if I had enough money in my HSA account before a doctors appointment [more](#)

So Easy! Everything in One Pl... Oct 19, 2017
★★★★★ Onelove416

Just starting to use the Sequoia Mobile App and I love it. I love not having to carry my insurance cards with me anymore.

Also, it makes searching for in network doctors super easy, divides them out by [more](#)
