Flooring & Ceiling

When potential guests and residents walk into your property's lobby, do they see outdated, stained or broken flooring or ceiling tiles? If you're not impressed with the way your floors or ceilings look, neither are they. HD Supply Facilities Maintenance has you covered with all of the commercial grade flooring and ceiling options you need for an upgrade. Browse our selections to find vinyl flooring tiles, cases of commercial acoustic ceiling tiles, and all of your flooring tools and supplies. Not sure you want to tackle the project yourself? We provide convenient and quality installation services by licensed, insured, and background checked flooring installers.
