Keep the team connected no matter where work takes you with Microsoft Teams

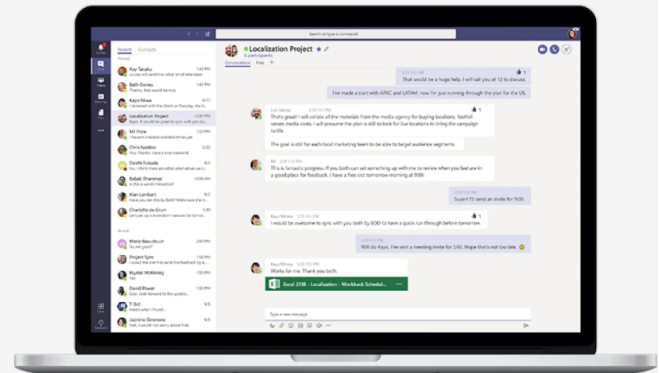

Connect instantly

Instant message one-to-one or with a group, hop on a video call, or share a screen for fast-paced decision making.

Reduce email clutter

Move noisy replies and acknowledgments out of email threads and into quick chats where they belong.

Take conversations anywhere

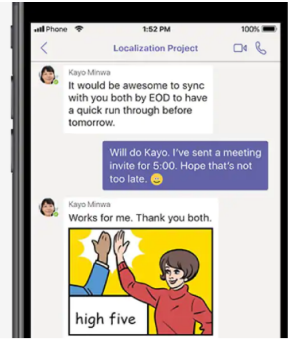

Work together as a team from anywhere and with more flexibility.

Boost team culture

With the digital equivalent of an open office space, your team can connect through personalized GIFs, stickers, and likes.
