

Who knew hiring could be so hard?

Join us and get some Tips to attract and retain the very best candidates in a talent-deficit market.

Join us for our Lunch and learn:

Where:

AppleOne Altamonte
307 Cranes Roost Blvd.
Altamonte Springs, FL 32701

When:

Wednesday, August 21st, 2019: 11:30am-1:30pm

Schedule:

11:30am-11:45am: Meet and greet

11:50am-12:50pm: Lunch will be provided while presenters illustrate 3 resources to help “attract and retain” top talent.

12:55pm-1:30pm: network with fellow participants and share best practices for hiring Technology-based and Engineering candidates.

Please RSVP to kcoressel@appleone.com by Wednesday, August 14th.

AppleOne Technical invites you to lunch with us, and learn about resources that assist with tackling your hiring process in such a competitive market. Candidates in IT and Engineering are largely in control when seeking opportunities as there are far more vacancies than qualified candidates.

What are you doing to separate yourself from your competitors in terms of telling your company’s story in an attractive way to affect the longevity of employment with your company?

Finding that needle in the haystack is only part of the problem. What best practices and resources can be utilized to retain your talent?
