

# PACKAGING TECHNOLOGY GROUP'S (PTG) COTTON SHIPPERS OFFER AN ENVIRONMENTALLY- FRIENDLY SHIPPING SOLUTION

## TRUETemp™ NATURALS-COTTON DELIVERS ON A PROMISE TO THE EARTH

TRUETemp™ Naturals Cotton is biodegradable, compatible packaging which meets a new level of sustainability and dovetails with the complexities of cold chain delivery of life-saving products.

- PTG is devoted to lead a new generation in the use of sustainable materials
- PTG design and test engineers are prepared to meet the challenges the industry faces in global reductions of disposables

# TRUETemp™ NATURALS
