Product Overview

First impressions can be lasting and smell is the most notable of the senses. By adding +Scent to your paint you can remove odors and add lasting freshness to the air every time you paint. +Scent is a paint additive that turns paint into a long lasting air freshener and odor eliminator. +Scent Fresh Air provides a breath of fresh air with a light touch of grapefruit, lime and peach complimented by the clean florals of jasmine and lily. PPG +Scent is

Quality: 5.0
 Value: 5.0

Just used this product on a paint refresh on an apartment in which a heavy smoker lived. I was VERY concerned about how I was going to eliminate the lingering smoke smell. A Home Depot store associate recommended I try +SCENT to eliminate the smoking odor. Amazingly enough, this product took care of the smoke issue and I had the unit rented three days later!! I will be using this on all of my units moving forward! I would HIGHLY recommend this product!!!
