

All Leads, One Place

Lead Aggregation

Imagine managing all your Leads from all sources in one place. Also imagine that every Lead is automatically converted into a Contact and therefore provides an agent the ability to immediately start building or refining the already generated Contact Profile. Velocity provides exactly that. All your leads whether they are from your Agent Website, Company Website, Zillow, StreetEasy, etc. will all be aggregated into Velocity so you can more efficiently manage and nurture them from inquiry to close.

Lead Routing

Enjoy the flexibility of setting your own rules based on the needs of your company and route leads through; Round Robin, Pool, Listing Agent Priority, Location, Team and more.

Agent Benchmarking

Velocity offers the ability to manage and assign leads utilizing Velocity's powerful Agent Benchmarking tool which algorithmically determines top agents by area for lead assignment based on active and sold listings.
