STATEMENT OF USE UNDER 37 C.F.R. 2.88

Applicant, Sumo Logic, Inc., requests registration of the above-identified mark in the U.S. Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. 1051 et seq., as amended). Applicant has adopted and is using the mark in commerce to provide the following services identified in the Notice of Allowance, namely:

- Class 35: Business data analysis; Collection and analysis of data for business purposes; Compiling and analyzing statistics, data and other sources of information for business purposes; Consulting services in the field of company, business sector, and industry data and research;
- Class 41: Teaching and training in business, industry, and information technology; Developing training systems and learning methodologies for others; and
- Class 42: Consulting in the field of IT project management; Consulting services in the field of design, selection, implementation and use of computer hardware and software systems for others; development, updating and maintenance of software and database systems for others; installation, maintenance and repair of software for computer systems; Computer services, namely, remote and on-site management of information technology (IT) systems for others; Information technology consulting services; cloud computing services featuring software for use in data analysis, problem solving and system administration; information technology

troubleshooting, namely, investigation and diagnosis of computer applications, computer systems, and computer networks; machine data management services, namely, collecting, monitoring and analyzing data generated by computer applications, computer systems, and computer networks for use in IT operations, IT application management, IT security and compliance; Educational services, namely, conducting end user conferences and seminars for product- and service- specific training in the field of real-time machine data analytics.

Applicant first used the mark to provide the services in Class 35 at least as early as September 12, 2017, and first used the mark in interstate commerce to provide the services in Class 35 at least as early as September 12, 2017, and specimens showing the mark as actually used in connection with the services in Class 35 are presented herewith.

Applicant first used the mark to provide the services in Class 41 at least as early as September 12, 2017, and first used the mark in interstate commerce to provide the services in Class 41 at least as early as September 12, 2017, and specimens showing the mark as actually used in connection with the services in Class 41 are presented herewith.

Applicant first used the mark to provide the services in Class 42 at least as early as September 12, 2017, and first used the mark in interstate commerce to provide the services in Class 42 at least as early as September 12, 2017, and specimens showing the mark as actually used in connection with the services in Class 42 are presented herewith.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or document or any registration resulting therefrom, declares that the undersigned is properly authorized to execute this Statement of Use on behalf of the Applicant; the undersigned believes the Applicant to be the owner of the mark sought to be registered; the mark is now in use in commerce; and all statements made of the undersigned's own knowledge are true and all statements made on information and belief are believed to be true.
