The MacGregor Golf CG2000 package set offers unrivalled value with men's options of graphite shafts in the irons and also a stand bag option. This package set features a Ti-Matrix driver, fairway wood, hybrid, stainless steel irons from 6-PW, putter and golf bag.

- DRIVER: 13° high-launch 460cc titanium matrix driver with optimal weighting for incredible distance (Graphite shafts)
- FAIRWAY WOOD: 1 x Low profile fairway wood and 1 x hybrid designed with low center of gravity for maximum performance (Graphite shafts)
- IRONS 6-PW stainless steel ions with undercut cavity to keep the center of gravity low and deep for improved launch and better ball flight (Graphite shafts)
- PUTTER: Mallet style putter
- BAG AND HEADCOVERS: A durable, luxury nylon MacGregor branded stand bag supplied with 3 matching headcovers
