### RECOMMENDATIONS

### BLOGS

### Who are you in debt to?

Through the Holy Spirit, we are no longer just creations of God and become children of God.

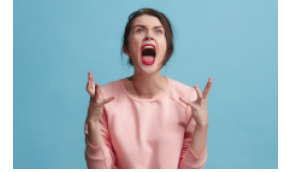

### Mirror: friend or foe?

### Pride can cost you everything

Pride boasts itself, but God despises it, and throws it down, where it belongs.

The race goes like this: we satisfy one wish, but the market offers 10 more.

### Your way or God's way?

If God's way is wrong and your way is

right, then at this point you should have the life that you've always dreamed of. Right?

### The united church

The Kingdom of God is made up

of discipline. When there is no discipline in the members of the body, evil and deceptive spirits dominate them.

### The Holy Spirit is ONE

Although He is ONE, you can be sure the He is enough to fulfill your life.

### The goal of anger

Do you have anger or hatred for someone? It is not part of your humanity.

### The Voice of God

If you want to see the greatness of God in your life, it's not enough to believe in God.

### Lord of those who turn away

Some become children of the lord of those who turn away.
