

# Healthcare Consent Made Easy

## Welcome!

*MyEasyConsent* is a secure system that makes it easy for you to provide healthcare eConsent, including Health Insurance Portability and Accountability Act (HIPAA) authorization. This will help us provide you with expedited access to product and financial support services.

### To get started...

Enter the Reference Code you received, along with other requested information.

If you do not have a Reference Code, please contact your Program directly and they can provide you with one.

Reference Code:

First name:

Last name:

I'm not a robot
