Available from these sellers.

- **[3 Quiet Settings]** Including high heat, low heat, and fan only make this electric space heater ideal for warming up an area in your home. Combined with an adjustable thermostat this personal space heater is great for small areas.
- **[Built-in Safety Features]** Overheat protection ensures the portable heater does not overheat. the V-0 grade flame-resistant material also contributes to safety use, preventing from causing fire. Heater tilt will cut off power. Triple protection greatly eliminates fire hazards and thus it is ideal for bedroom and office.
- **[Quick Heating Up]** Homasy portable heater with the PTC ceramic heating element will heats up instantly in 2 seconds to reach the optimum temperature. PTC material, the heating efficiency is up to 99%. Enjoy instant warmth after going home from the chilly outside instantly.
- **[50° Rotary Heating]** The oscillating portable heater supports oscillation at 50° up and down to offer warm or cool breeze widely. Wide angel to heat. Further, the air supply grille works efficiently to deliver heat in wide areas up to 15 m², offering you a comfortable living place.
- **[Quiet Operation]** The maximum noise of the working fan heater is only about 45 dB. Thus the portable room heater can comfortably offer you warm or cool wind without interfering with your working, chatting or rest.
