### It All Started With A Simple Idea

It all started with a simple idea: What if we removed 110 artificial ingredients and left only the good stuff? Welcome to ShopRite's Wholesome Pantry. It's free from artificial flavors, colors and preservatives you can't pronounce. You could say it's made of, well... food.

## WHOLESOME PANTRY ORGANIC

Wholesome Pantry Organic is USDA Certified Organic. Not organic-ish.

All ShopRite Organic products are now Wholesome Pantry Organic. They will join a growing list of new organic products that will all be 100% USDA Certified Organic. Which means you can be 100% confident in the choices you make for your family. Not confident-ish.

## NEW ITEMS

### Organic Pasta Sauce

We put in our pasta sauce what you'd put in yours: plum, organic, vine-ripened tomatoes, fresh herbs and spices. What could be more wholesome?
