RACCOON LAGOON

Hello, Island Spirit! A group of adorable sailors have been marooned on your shore. Let's help them build a home here. And just maybe, they can help us repair the island's broken heart. Explore the eight beautiful and distinct climates of the island, and with fishing, cooking, farming, mining, painting, themed decorations, and many hours of story quests, you won't run out of things to do. You can invite a friend if you wish, just make sure to watch out for the Raccoons!

EXPLORE A BEAUTIFUL WORLD

Explore a diverse island in first person VR. Experience open plains, rushing waterfalls, volcanic rivers, peaceful caves, and glittering mines.

INTERACT IN SURPRISING WAYS

Chop trees, mine gems, plant crops, fish, build, pet the animals. Kindness rewards kindness, and cruelty rewards... well, you'll see.

MAKE THE ISLAND YOUR HOME

Express yourself by decorating your island, painting buildings, and customizing your avatar. There's over 300 decorative items in the game!

HELPING HANDS ARE ALWAYS NEAR

Visit other player's islands, or have other players come and visit you! Visitors are able to lend a hand, and everything they collect will also be shared with you.

RACCOON LAGOON

By Steve “DevGamer” Kramer, Lead Designer for Raccoon Lagoon One of the things that thrills me about video games is the breadth and width of the fantasies that we can fulfill through them. One day I’m a powerful wizard casting world shattering spells, and the next day I’m driving one of the most powerful [...]
