Products should be properly packaged to prevent any damage.

A vendors' responsibility is to replace damaged products plus additional transit costs of damage during transit.

Test bars from the pour should be kept for a minimum of 6 months

Send MTR and DCR including drawing # for DPF0006 & DPF0012 as the unit is casted to yan@uvintl.com.

Each item should be packed in its own package (no mixed packing) unless noted special.

If wood packing used, fumigation certificate must be sent with documents
