## PartsSource Adds 1000th Hospital to the PartsSource Pro Community

June 3, 2019

**PartsSource Adds 1000th Hospital to the PartsSource Pro Community**

*Berkshire Health Systems, Jackson Health System, John Peter Smith Hospital,*

“The newest members of our PartsSource Pro community signify a program milestone and join other nationally-recognized health systems including Advocate Aurora, Cincinnati Children’s, HCA, Intermountain Healthcare, Mayo Clinic and Memorial Sloan Kettering, that have adopted the PartsSource Pro model,” said [Philip Settimi](#), M.D., President and CEO of PartsSource. “We’re delighted at the market’s response in only a few years – which makes it the fastest adoption of an enterprise technology-enabled service in healthcare. We are very proud to serve leading Clinical Engineering and Supply Chain teams around the country to work smarter, not just harder.”

### **About PartsSource®**

PartsSource’s proprietary [procurement platform](#) eliminates friction from the healthcare supply chain by delivering evidence-based decision support for healthcare technology management (HTM). Through integrated workflows and standardized processes, PartsSource empowers HTM teams to make data-driven decisions, manage long-tail spend, increase equipment uptime and track the quality of clinical assets. To learn more about the value of proactively managing the lifecycle of clinical assets, visit [PartsSource.com](#)
