Round, Complex, Geeky

Body: medium
Sweetness: dry
Alcohol: 13.1%
Winemaking: vegan

Tasting notes of bacon, cherry, clove, cocoa

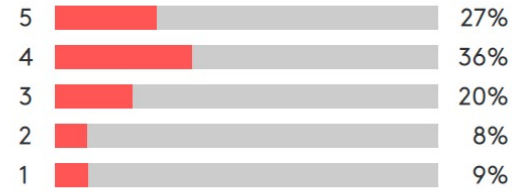

Experience the mind-bending qualities of this minimalist Cabernet Franc.

Light & Space Cabernet Franc is constructed along minimalist lines, brilliantly showcasing the fine raw materials from Curtis vineyard in Santa Barbara County. The grapes for this wine are harvested in late October, then see carbonic fermentation under native yeast to really pump up the bright fruit presence. Aging in neutral oak for 18 months completes this non-interventionist vinification process. Unfined, unfiltered, and vegan, Light & Space is a true expression of Cabernet Franc. Aromatic red fruit, spice, and a hint of smoke are some of the notes in this complex, nuanced wine. It's your chance to get lost in space
