Places to Pay Wallets About Flexa

A payments network is nothing
without places to pay.

We have **39,321** of them.

Flexa was built to help merchants save money,

Flexa was built to help merchants save money,
so that they can help you save money.

That's why we've partnered with some of the biggest
and brightest brands in the world, in order to bring
truly digital payments into your pocket.

With Flexa, you can spend Bitcoin, Ether, Litecoin,
Bitcoin Cash, and the Gemini dollar today at thousands
of stores around the US.

Do you want to accept Flexa at your business?

Do you want to accept Flexa at your business?

We're currently enrolling new merchant partners on a first-come, first-serve basis, and we're focused on businesses with a national footprint.

Depending on your existing payments provider, it might not be possible for us to enable Flexa payments for your business right now. Regardless, we'd still love to hear from you! Please [get in touch](#) to learn more.
