New app is a game changer
With this latest update, pretty much everything about this app improved. The app is smoother and easier to use, payouts are faster, and there are a ton of new features. more

All around bad experience
Not sure where to begin with this headache of an app. Firstly, the verification process was painstaking and bizarre. From the constant requests for documentation uploads (with more

Agree with all the other bad reviews
This app and site is horrible. I am going to repeat all the same problems everyone else has. The app tells me I am not in NJ every time I try to place a bet. There is not a C more
