It's very easy!

we'll give you a HealthCoin as long as you walk.

Locking screen ads? Inconvenience?

Stab in the back? Not at all.

Take 1,000 steps, 3,000 steps, 6,000 steps, and 10,000 steps every day to stay healthy and be rich!

This is not all.

Give clean water to children in countries suffering from drinking water as they walk together 6km a day.

and 10,000 steps every day to stay healthy and be rich!

This is not all.

Give clean water to children in countries suffering from
drinking water as they walk together 6km a day.

Along with World Vision, we contribute to the global
drinking water problem solution business.
HealthCoin's Water Supply Business Support
Unit 1 - Vilaspur, India

And
When the official service is started,
The healthCoin we've collected will be able to convert
to money needed by the exchange service and
give free insurance to those who need medical protection.

Remember, a gift from Blockchain,
Walking makes money! HealthCoin

- ▶ Easy to use as a simple login.
- ▶ Daily initial access, 1000steps attainment, 3000steps attainment, 6000steps attainment,
