#PLAYLIST: EPIC / DE ALBERT

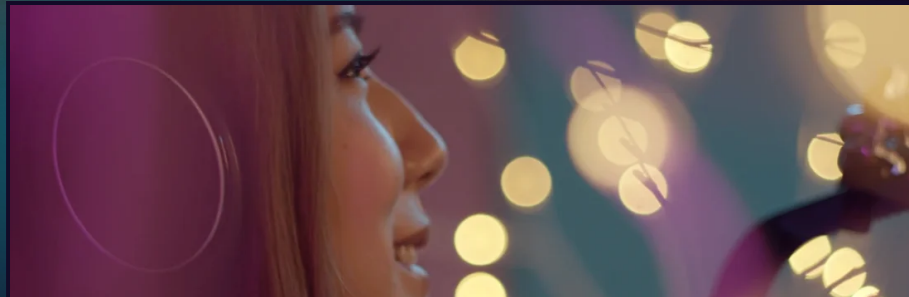

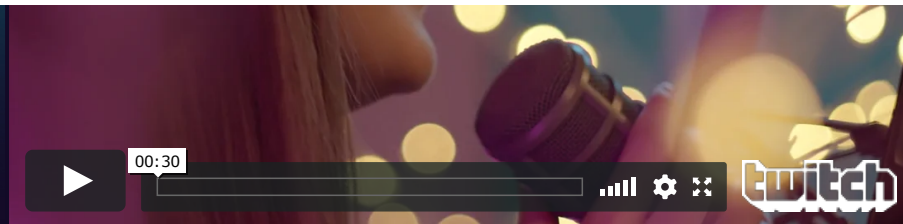

See How Twitch Does Karaoke.

Twitch Sings is built from the ground up for streamers. With live singing, multiplayer modes, and features that let chat direct the show, our first game lets you and your community make one-of-a-kind performances together.

Available on PC and Mac

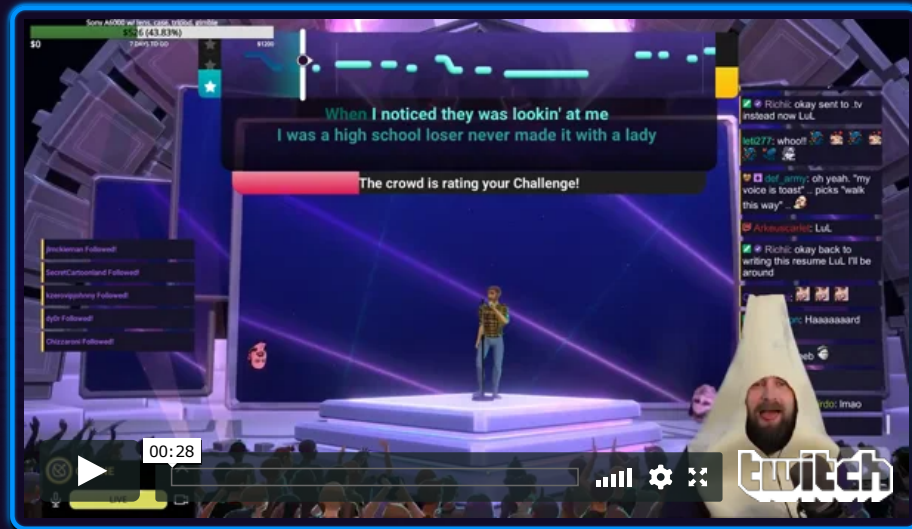

Sing and stream live

Choose from a huge library of songs and go live on Twitch. Like classic karaoke, Twitch Sings is best with a crowd.

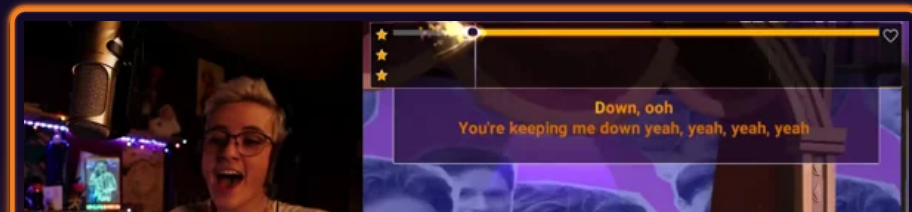

Connect with your community

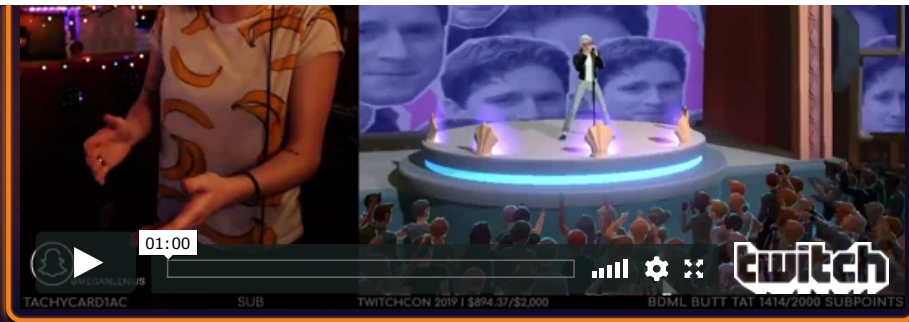

Show off the power of co-op singing by inviting your friends and community to join you for duets.

Give chat the controls

Fans can get involved by requesting songs and choosing fun challenges to tackle while you sing.

Show off your style

With tons of outfits and hairstyles, whether your avatar is on stage or in the crowd, the show will be perfect for you.

Additional Features

One-click streaming

No matter your streaming setup, you can start broadcasting at the push of a button. Fastest. Roadie. Ever.

Venues

Set the stage perfectly by choosing a venue to fit your mood, the song, or your community's energy.

Catalog

Sharing

From new hits to karaoke anthems, the Twitch Sings catalog has something for everyone. And it's growing.

Share your best performances with the rest of the world on social media or publish them to Twitch.
