

FlexNet Edge Resources

Documentation and Product Download Center for Customers:

The screenshot shows the Flexera Product and License Center interface. The main heading is "Product and License Center" with a sub-heading "Product Download". The page is titled "FlexNet Operations Cloud Documentation". There are tabs for "Files", "Licenses", "Download Log", "Notification Log", and "Restrict Access". A "Download Selected Files" button is visible. Below this is a table of files with columns for "File Description", "File Size", and "File Name".

	File Description	File Size	File Name	
<input type="checkbox"/>	+			
<input type="checkbox"/>	+	FlexNet Operations 2020 R1 - FlexNet Edge	11.2 MB	FlexNet Operations 2020 R1 - FlexNet Edge.zip
<input type="checkbox"/>	+	FlexNet Operations 2020 R1 Cloud Release Notes	229.2 KB	fno_2020R1_ALM_release_notes.pdf
<input type="checkbox"/>	+	FlexNet Operations 2020 R1 Cloud Product Documentation	15.4 MB	FlexNet Operations 2020 R1 Cloud Product Documentation.zip
<input type="checkbox"/>	+	FlexNet Edge 2018 R3 - Operations Guide	1.2 MB	FlexNet Edge 2018 R3 - Operations Guide.pdf
<input type="checkbox"/>	+	FlexNet Operations Orientation Guide	740.7 KB	Welcome to FlexNet Operations ALM - Cloud.pdf
<input type="checkbox"/>	+	FlexNetOperations ID Generator Callout Samples	8 MB	extgenservice.zip
<input type="checkbox"/>	+	Sample Implementation of FlexNet Operations Callouts for FlexNet Embedded Licensing	1.5 MB	flexnet-ifs-callout.war
<input type="checkbox"/>	+	16.2.2.0 VCG Toolkit	18.9 MB	VCG_16_2_2_0.zip
<input type="checkbox"/>	+	12.11 VCG Toolkit	16.1 MB	VCG12_11_0_0.zip
