

Never run out

Amazon Dash Smart Shelf senses the weight of items and determines when you're running low. Then, it places a reorder that arrives right on time. Don't want automatic reorders? No problem. Get low-inventory notifications instead.

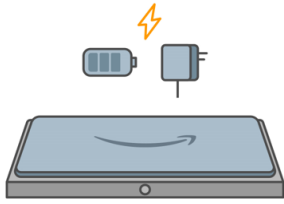

Save time and money

No more counting supplies or last-minute shopping. And you'll save up to 15% on items from select partners.

Simple to set up and use

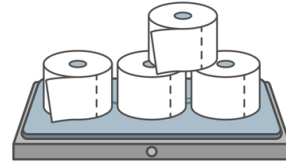

The built-in battery lets you unplug, so you can use it in spaces with or without an outlet. You have the freedom to select a different product or brand at any time.

1 Power on Dash Smart Shelf.

2 Connect to Wi-Fi through the Amazon app.

3 Choose a product and quantity.

Choose from 3 sizes

Large
18x13"

Medium
12x10"

Small
7x7"
