

How Transformed Are You Really?

From Agile Project Teams to SAFe® 5.0

Organizations of all shapes and sizes, including Planview, are in the midst of a Lean-Agile transformation to increase business agility. However, many are unaware of where they are on the journey, often thinking they are much more Agile or transformed than they truly are.

Join Jon Terry, Chief Evangelist Lean-Agile Strategy, and Ronnie Pinkerton, Director of Agile Growth, at Planview, on **March 5, 2020, at 11am CT**, as they discuss:

- Agile transformation: Reality vs. Aspiration, how to get to the next level
- How Planview supports all levels of Agile maturity, from Agile “project” teams to implementing SAFe 5.0
- The path to Lean Portfolio Management and enterprise-wide business agility
- Why Kanban is the missing link to true agility

Whether your organization is tightly adhering to a highly-governed project management approach to Agile or implementing the latest and greatest SAFe framework, it’s imperative to understand how Agile and business agility within your organization must evolve and change.

Make sure your organization is prepared with the tips and tools that will keep you ahead of the market and your competition.
